*Qua la

Give me your hand...

La sensazione è quella di una sicura stretta di mano.

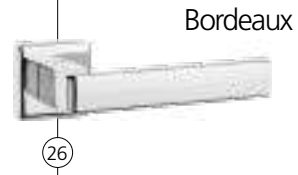

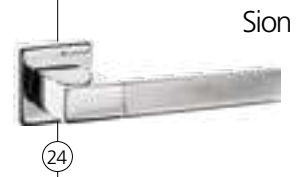

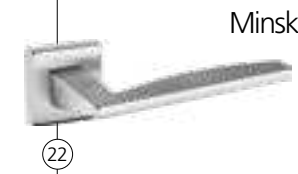

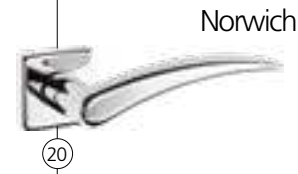

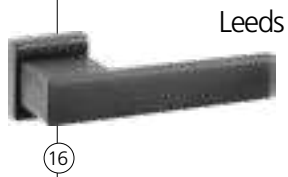

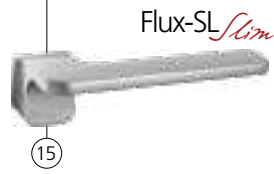

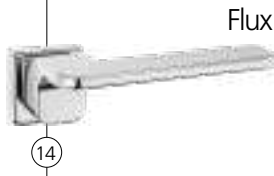

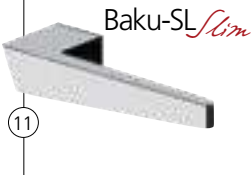

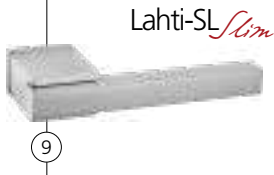

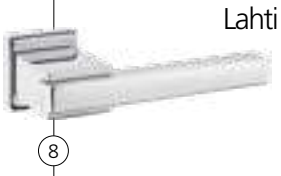

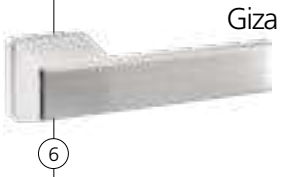

Scegli la maniglia che rispecchia il tuo stile,
che sia squadrata o dalle linee tonde e morbide
troverete sicuramente quella più adatta da abbinare
alla tua nuova porta Sololegno, Visioni o Trix.

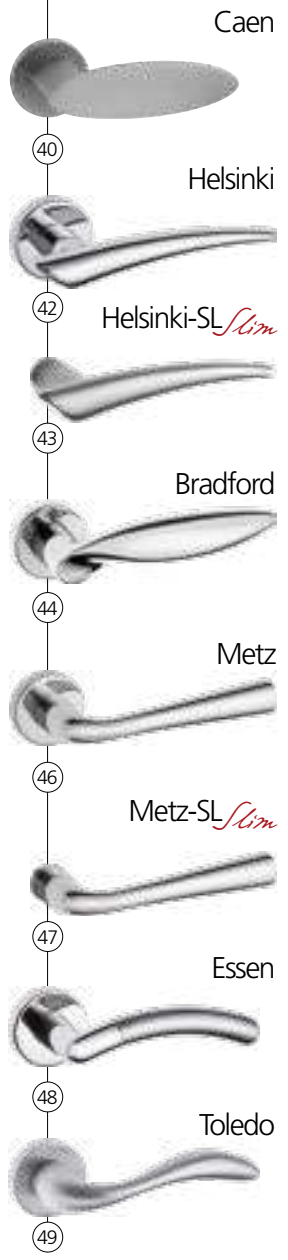

*The feeling is that of a secure handshake.
Choose the handle that reflects your style,
whether it is squared or with round and soft lines you will
surely find the most suitable one to combine with your new
Sololegno, Visioni or Trix door.*
